

# Turnover in service industries

2011, November

## Turnover in service industries grew by 6.5 per cent in September to November

Turnover in service industries grew by 6.5 per cent in September to November from the corresponding time period of the year before. One year previously turnover in service industries grew by 8.2 per cent. Services are here examined exclusive of trade and the data have been adjusted for working days by eliminating the effects of calendar variations from them.

### Three months' year-on-year change in turnover in services (TOL 2008)

Turnover in service industries grew fastest in enterprises in the administrative and support service activities, and in professional, scientific and technical activities. Turnover in enterprises in both industries was up by about 10 per cent year-on-year. The growth of turnover was slowest in information and communications activities and in other service activities.
